

Evolution Healthcare Systems Communication Opt Out Form

Please enter your details in the the fields below to opt out of communicating with Evolution Healthcare Systems.

All information is stored to enable us to fulfil our contractual obligations. Opting out will prevent Evolution Healthcare Systems contacting you in the future. Any request for removal of contact details that conflicts with our ability to provide our contractual obligations and levels of support will have to be referred to the client for confirmation & alternative contact details prior to deletion.

Retrospective opting out is not possible as this may have an impact on other users/clients.

Name	
Email Address	
Workplace	
Position	
Reason for opting out	

I hereby opt out of all communication with Evolution Healthcare Systems.

I acknowledge this will prevent me from receiving support from Evolution Healthcare regarding the use of their products and I will no longer receive software upgrades.

Please note that we are not able to delete any communications or contact details that would leave us unable to fulfill our contractual support obligations.
